A photograph showing the back of a paramedic wearing a red jacket. The jacket has a black rectangular patch on the upper back with the text "DON'T SHOOT PARAMEDIC" in white, bold, sans-serif capital letters. Below the patch are two horizontal reflective strips with a repeating blue and white snowflake pattern. The paramedic is standing under a red and white striped canopy. In the background, there is a brick building and a person in a black uniform with "POLICIA" written on the sleeve. Another person in a red jacket is partially visible in the lower right foreground.
